Any rescheduling must be paid for in advance to confirm your appointment and may also require being put on a waiting list. Rescheduling will be done as time becomes available. A \$10.00 fee will be applied to appointments rescheduled more than once. Photo sessions scheduled at the studio are \$60.00 (including Saturdays) and must be prepaid, are non-refundable and non-transferrable.

It is your responsibility to contact us if your appointment needs to be rescheduled.

Failure to do so may result in you not being included in the 2023 Yearbook.

Getting Ready for your Senior Portraits

Senior portraits are among the most cherished photos for many of us. At Nagamine Photo Studio, we are honored to capture this time in your life.

Some friendly tips to improve your portrait:

HAIR

If you are planning to cut your hair, we recommend that you schedule your appointment a week before your photo session to allow your hair time to fill in. Don't make any radical changes. Chances are you won't feel it expresses the real you.

MAKEUP

Just before your session, stand two feet in front of the mirror. Dab a small amount of concealer on any noticeable blemishes (make sure it matches your skin tone). That's it! If they aren't visible in front of the mirror, they won't show up in your photos.

TANNING

For the beach lovers: don't overdo it! While we have some incredible retouching talent at our studio, removing peeling skin or a bright red sunburn is next to impossible. A little sun is better than too much.

GLASSES

If you usually wear glasses, you'll want to wear them in your portraits. To eliminate any glare, distortion & reflections, it is best to have your optician lend you a pair of frames or remove your lenses. Be sure to give them notice if you decide to do this. PLEASE NOTE: the fee for glasses glare removal is \$30.

**PLEASE ARRIVE WITH YOUR HAIR AND MAKEUP
